

FACILITY

University Synagogue has a newly renovated building with a welcoming façade of beautiful Jerusalem stone. Equally impressive is our Kopelson Family Sanctuary, which seats 435 people. The floor to ceiling vivid stained glass windows and adjacent reception room make the main sanctuary a warm and gracious venue.

For a smaller event, our **Gray Family Chapel** is a comfortable, intimate space for groups up to 125.

Newly decorated **Klein Hall** can accommodate large or small celebrations. It is equipped with a stage, professional sound & lighting equipment and a big screen for custom projection services. Adjacent to Klein Hall, **Seigel Lounge** and the **Grand Lobby** are also available for cocktails and hors d'oeuvres.

We provide a full kitchen, complete with utensils, cutlery, dishes and glassware, to assist your approved caterer. There is ample and secure on-site parking.

Whatever the occasion, University Synagogue is a location that offers a myriad of options to make your event truly special. For B'nai Mitzvah, Weddings, Baby Namings or Brit Milah – your life cycle event will be handled with personalized attention by our on-site Coordinator. *University Synagogue members receive a significant discount on facility rentals.*
